

# Harmonized Tariff Schedule of the United States (2015) (Rev. 1)

Annotated for Statistical Reporting Purposes

## CHANGE RECORD

This change record sets forth all changes to the HTSA which have become effective since January 29, 2015, *other than* previously proclaimed reductions in staged rates of duty and nonsubstantive adjustments to the format of any page. Note that this change record includes minor changes to the nonlegal alphabetical index and statistical annex B.

Chapter 64 only was reposted on July 14, 2015, to take into account legal and statistical changes arising from Public Law 114-27. See below. In addition, the compiler's note at the beginning of the schedule (following the additional U.S. rules of interpretation) and general note 4 are being updated as of July 29, 2015, to reflect the renewal of GSP by that same public law. Minor technical and format corrections not affecting customs treatment have also been made.
